345 JABIRU MOST POPULAR FISHING MODEL FOR ENTRY LEVEL FISHERMAN

With a practical and durable design this boat is built to last and provide countless hours of fishing adventure.

National Account Manager Cameron Woods says the 345 Jabiru is the perfect entry level fishing boat; affordable, practical and strong.

“Featuring a solid design this small but mighty boat fulfils all big expectations with 1.60mm top and bottom sides, and an optional upgrade to 2mm bottom sides for extra piece of mind. The Jabiru can comfortably take on any fun filled adventure, ‘He said.

Supporting a 15 horse power rating the 345 Jabiru has more than enough power to reach your favourite fishing spot with ease.

With an overall length of 3.48M and a 1.53M beam the Jabiru has the capacity to carry 3 people comfortably, with plenty of space left over for all your gear.

The Jabiru weighs in at 79kg which makes it agile and easy to manoeuvre off the beach and can be easily towed behind the family station wagon.

The 345 Jabiru is an entry level boat with practicality and affordability as the key focus in its development.

The Jabiru can be optioned up with a carpeted low floor, rod holders and casting platform to increase comfort and stability on those long fishing adventures.

Other options available on this model are two tone paint, full length side rails and bimini and envelope.

All Savage boats come with a 3 year limited factory warranty on the boat motor and trailer. For more information on the 345 Jabiru or the Savage range please visit www.savageboats.com.au
