SAVAGE 435 BAY CRUISER IS HARD TO STAY AWAY FROM

The weekend won't be able to come quick enough when you own a Savage 435 Bay Cruiser!

This popular model from the Runabouts range takes weekend adventure to a new level and is perfect for professional fishos or first time boaties.

Having Savage's new Maximum Ride Hull provides the 435 Bay Cruiser with a smooth ride on the plane combined with efficient 'hole shot' performance and improved stability when at rest.

National Account Manager Cameron Wood says "the 435 Bay Cruiser is the perfect weekend escape, and is causing fishing enthusiasts a lot of heartache when Monday rolls around!" he said.

"The 435 Bay Cruiser is hard to stay out of; it gets you out to your favourite spot on the water quickly and comfortably.

To make it even easier to settle in at your favourite spot this popular model comes standard with a rear folding lounge for comfort.

"Being built for strength and durability you can cruise your 435 Bay Cruiser along the coast or scope out a leisurely fishing spot on the lake," he said.

"No matter what you do, the 435 Bay Cruiser can handle it no worries whilst being equipped with even more handy features.

The 435 Bay Cruiser comes equipped with carpeted floor for stability underfoot, rod holders and side pocket to stow away all your fishing gear and a transom step and rail to make boarding a breeze.

Give yourself something to be excited about on the weekend! Visit your local Savage dealer or go online to www.savageboats.com.au to find out more about this brilliant boat.
